ABOUT THIS BOOK

This adventure historical fiction novel is set in Angus, Scotland during the Jacobite rebellion of 1745. It has all the elements of a good war novel: spies, betrayals, politics, and even a love story (but not quite what you expect). This is a smart novel with wise insights into human nature, the different choices people make during a conflict, and the coping mechanisms of those who were left behind. This novel will make you laugh, cry, and fall in love with the landscape of Scotland.

- Summary by Stav Nisser.

BACK FLAP

1 Fold this tab along the dotted red line and glue to back pane

2 Fold this tab along the dotted red line and glue to back pane

- This template prints correctly on an A4 sized sheet of paper
- Makes a booklet style CD/DVD cover side sealing CD Sleeve
- First print this page.
- Then cut along the black line with an exacto knife against a straight edge.
- The dotted red square is the front pane. Its sides are to be folded back.

Assembly instructions (after printing and cutting):

First fold tabs 1 & 2. Then fold the back pane at 3-3. Put glue on the two side tabs 1 & 2 then press down the back pane on top of that gluing it to the two side flaps. This creates a pocket for the CD/DVD. Then fold the back flap at 4-4 over it to keep the CVD/DVD from sliding back out.

- Use either the commercial Avery L7676 CD/DVD Self Adhesive labels or any A4 sized self adhesive sticker sheet and cut along the outer and inner black circle lines and paste on the CD/DVD.
- Cut the page in two across dotted blue line A-A and use the remaining sheet for printing another CD/DVD label next time using the same printer settings.

If using plain sticker sheet, cut along this black line circle and the similar smaller one towards the middle
